

POSIFLEX

Affordable Premium Performance

PB-4700

Advanced Compact POS BOX

Posiflex PB-4700 is an advanced compact POS box, ideally suited for most retail sectors and cash till areas, where the space is at a premium. It brings greater value to the store owner through compact design, robust performance and superior consumer experience.

PB-4700

Compact and Flexible

The small footprint of PB-4700 allows for easy installation in anywhere you need a Point of Point of Service system.

Powerful Performance

PB-4700 comes with powerful Intel CPUs that ranges from Celeron all the way to Core i7, which guarantees the smooth daily operation in meeting the fast-paced environment.

Expandable and Configurable

Connect to a wide range of POS peripherals and options for greater productivity and flexibility to fit in your store environment.
