The RP 45 Shoppe Advantage

The dynamic retail scenario in India pushes retailers to be more efficient. Today's new age consumers are exposed to high levels of shopping experience. To live up to their expectations at every touch point, retailers need super-efficient billing systems and POS printers.

Introducing RP 45 Shoppe :

This comes as a blessing in disguise for the conventional bill printer users. While the normal printer allows printing only on either 2.25" roll paper or 3" roll paper, restricting the number of printing characters, RP 45 Shoppe allows retailers to print in 4".

Rugged and made for India:

RP 45 Shoppe is compact, stylish and reliable. The rugged nature of RP 45 Shoppe ensures that it can withstand falls from 3ft. The printer is especially designed to suit Indian conditions which are prone to dust and voltage fluctuations.

Unique Inkbank refills:

Its unique Inkbank refills ensure you print more bills per ribbon cassette thus saving up to 70% on your printing cost. It allows you to print up to 45,000 bills per refill, which none of the competitors can offer. Designed and compatible for bluetooth add on.

Extraordinary Performance:

Your customers no longer have to wait in queues as RP 45 Shoppe comes with easy to operate and user friendly features which makes it simple to operate. With a print speed of 5lps, RP 45 Shoppe prints 15 bills per minute helping you serve your customers better. RP 45 Shoppe ensures better connectivity with three interface options, (Parallel, USB & Serial) giving more flexibility to connect to any interface at any point of time. Additionally, RP 45 Shoppe also comes with a cash drawer for easy billing.
